

Three Rivers Charter School  
Sibling Return Policy  
Board Policy  
2003

The board relies on a once yearly public lottery (as mandated in Senate Bill 100) to fill all spots that are open in Three Rivers Charter School. The TRCS Board will not recognize the sibling policy for students who have left TRCS at any time during the school year and who have brothers/sisters who currently attend TRCS. This lottery system will also be used to reinstate any students who have previously attended Three Rivers Charter School and would like to return. They will be allowed to submit a card and participate in the open and public lottery.
